### Related Party Transactions

The Company advises that Richard Williams, Director, President and CEO, Grenville Thomas, Director, and Don Njegovan, Director (collectively, the "**Interested Directors**") have agreed to subscribe for New Common Shares under the Placing. As such, the Placing will constitute a "related party transaction" within the meaning of Policy 5.9 of the TSX-V and Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* ("**MI 61-101**") as a result of such Interested Directors being Directors of the Company.

Related party transactions require a formal valuation and minority shareholder approval unless exemptions from these requirements are available under applicable Canadian securities laws.

In connection with the Placing, the Company is relying on the exemption from the formal valuation requirement in section 5.5(b) of MI 61-101 (as a result of the Common Shares being listed on the TSX-V and, upon Admission, on AIM). With respect to an exemption from the minority approval requirement in connection with the Placing, the Company is relying on the exemption in section 5.7(1)(b) of MI 61-101 (as neither the fair market value of the Common Shares which may be distributed to, nor the consideration which may be paid by, the Interested Directors will exceed \$2,500,000).

Further details in respect of the Placing and Subscription will be included in a material change report to be filed by the Company. The material change report will be filed less than 21 days prior to closing of the Placing and Subscription due to the timing of the announcement of the Placing and Subscription and the Company wishes to complete the Placing and Subscription in an expeditious manner.
